THE CURRENCY QUESTION.

Notwithstanding the fact that thousands of our people are at present worrying themselves almost to death over this vexed question, even to the extent of neglecting their business, there are still thousands upon thousands of smart, hard working, intelligent men pouring into the great Arkansas Valley, the Garden of the West, where the Atchison, Topeka & Santa Fe Railroad offers them their choice of 2,500,000 acres of the finest farming lands in the world at almost their own prices. If you do not believe it, write to the undersigned, who will tell you where you can get a cheap land exploring ticket, and now, at a moderate expense, you can see for yourself and be convinced.
